4a.2.3 7a (משנה ז) → 7b (סיום הפרק)

- I. משנה ה (in print: continuation of משנה ה תלמוד (משנה ה aum): status of surplus funds of various collections
 - a. Redemption: surplus of פדיון שבויים for other redemptions
 - i. However: if it was collected for a specific prisoner it goes to that person
 - b. Alms: surplus of charity collection goes to the poor
 - i. However: if it was collected for a specific עני, it goes to him
- c. מתי מצוה if funds were collected for burying מתי מצוה, surplus goes to other מתי מצוה
 - i. However: if collected for a specific מת, surplus goes to his heirs
 - ii. מת surplus for a specific מת is held by ב"ד
 - iii. ד' נחן: it should be used to build a mauloeum for him
 - 1. Question: if money was collected for a מת who was thought to be destitute
 - a. But: he proved to have funds and none were used for his burial what is the status of the funds?
 - i. "ז' ירמיה they don't go to heirs only if some had been used for him (per מותר" משנה")
 - ii. *ד' אידי מחוטריה*: can be reasoned out money was given only for use for his burial
 - 1. Therefore: if none were used for his burial, doesn't go to his heirs
 - 2. ברייתא expanding on נפש over him, and add a fountain etc. נפש over him, and add a fountain etc.
- d. ברייתא: we don't use funds raised for one captive for another
 - i. Nor: funds raised to buy a specific טלית for an עני for a different טלית
 - ii. But: if community elders see fit to do so, we don't protest
- e. צדיקים we don't build צדיקים their teachings are their memorial
- II. Aggadic tangent (taken from בבלי edition vv. 1-9)
