- I משנה ו description of the process:
 - a both of them come to בית-דין
 - b בית-דין counsels him to do the "right thing"
 - c she declares "מאן יבמי...לא אבה יבמי in לשון הקדש
 - d he declares "לא חפצתי לקחתה in לשון הקדש
 - she then approaches him, removes his shoe and spits with spittle visible to the דיינים
 - she then declares "ככה יעשה...אחיו"
 - i all of these declarations would be coached/cued by court
 - i after פרשה coached them to read the entire פרשה that became the norm
 - g Everyone present must declare "חלוץ הגעל"
 - i חכמים all members of the בי"ד, not the students (others assembled)
 - ii הודה all present supporting anecdote from בית דין של ר' טרפון
 - h רב יהודה this is the ideal, but the order is not indispensable
 - i אביי: care in cueing declarations
 - i don't pause between לא...אבה (implication no, he **does** want ייבום)
 - ii don't pause between רבא) לא...חפצתי this break is insignificant)
 - j אביי: care in preparing text of גט חליצה
 - i must indicate that "we had her declare 'מאן יבמי...לא אבה יבמי" "
 - ii must indicate that "we had him declare 'לא חפצתי לקחתה"
 - iii must indicate that "we had her declare 'ככה יעשה...חלוץ הנעל"
 - k מר זוטרא would prepare the entire מר זוטרא with scoring
 - i challenge: not supposed to write in that manner unless it's a complete ס"ת
 - ii nonetheless: הלכה follows מר זוטרא
 - l miscellany re: spitting:
 - i אביי: spit must reach "in his presence"
 - 1 →if it gets caught up by the wind (and never hits the ground) invalid
 - 2 →if she is short and he is tall, even if it gets caught by the wind valid
 - 3 →if he is short and she is tall, it must hit the ground in front of him
 - ii רבא: if she ate an expectorant and spit, invalid ירבא implies spit which she independenly generates
 - iii רבא: judges/elders need to see the spittle לעיני הזקנים
